LANGUAGES

Native Spanish

Fluent English , C1, IELTS (2018)

Fluent French, C2, TCF (2021)

Basic Malagasy

IT SKILLS

MS Office (Word, Excel, Access)
Programming (R and Python)
Dataviz (Tableau, Quarto)
QGIS

INTERESTS

- Networking : Participant on the CIMMYT's "Basic Wheat Improvement Course" leading to a publication on equality for female plant breeders - 2022
- Tennis, scuba diving and yoga

Ana Paola VALLADARES GARCIA

< Data analyst - freelance >

EDUCATION

2019-2021 MSc in Plant Breeding - Erasmus Mundus Program

- **Double Degree Master** : M1 in UniLaSalle, french agricultural engineering school and M2 at Universidad Politécnica de Valencia, spanish institution specialized in plant biotechnology
- Main courses: **breeding** strategies, **biostatistics**, **R programming**, **database management** and phytopathology

2013-2018 BSc in Biotechnology Engineering

- Instituto Tecnológico y de Estudios Superiores de Monterrey, México
- Academic Excellence Scholarship; Awarded with First Honors
- Courses : microbiology, molecular biology and **project management**

WORK EXPERIENCE

2025

Data Analytics Consultant & Academic Trainer

(on going)

Freelance, Madagascar

- **Statistical consulting**, R programing and data analysis training for PhD candidates from different research institutes

2023

Research engineer on abiotic stress in Wheat

(2 years)

ARVALIS , France

- **Statistical analyses** and **data management** for 2 european projects
- **Environmental and genetic dissection** for characterizing varieties' resilience

2021

Master Thesis Project on Durum Wheat Genomics

(6 months)

CREA-Research Centre for Genomics & Bioinformatics, Italy

- **Statistical analyses** and QTL mapping for seed morphological traits
- Preparation of different scientific publications

2020

Cereal Breeding Internship on Hybrid Rye Production

(3 months)

KWS Lochow Cereal Breeding Station, Germany

- Hands-on breeding tasks as trait scoring, **field work** and crossings

2018

Abiotic Stress in Pepper Research Assistant

(6 months)

Centro de Investigación Científica de Yucatán, México. Public Research Center

- In vitro experimentation and **data analysis** of chlorophyll tests

2017

Characterization of Maize for Doritos Research Assistant

(6 months)

Frito-Lay & Centro de Biotecnología-FEMSA, México. Private Research Center

- **Data analysis** on nutritional values to enhance the product quality

Association Projects

2026

Freelance - Guest Writer for Science Communication articles

Botany One, The Annals of Botany Company, UK (online)

2025

Freelance - Image Analysis Python Developer for Guava Breeding Project

Spring Valley Fruits, México (online)

2024

Volunteer - Spanish teacher

College Français Jules Vernes, Antsirabe, Madagascar

2019

Volunteer - Science Communication Assistant for Plantae.org

American Society of Plant Biologists (ASPB), United States (online)
